

roundbar lever furniture

A selection of lever styles shown in this section are available on the following rose and plate fixing options

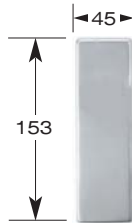

Please suffix lever code with plate option no., followed by profile digit (eg. 122 lever - on concealed oblong plate (1) - bath (B) is 122/1B)

on rose (0)

concealed rose

plate 1

concealed oblong

Piercings on the backplate featured within this section are supplied at standard UK centres and are as follows:

Europrofile lock plate (P) is 47.5mm from the centre of the spindle follower and the centre of the cylinder and Oval profile (U) is 48.5mm
Lock (L) and Bathroom (B) backplates are 57mm centres between the centre of the spindle follower and the middle of the keyway or bathroom turn.

However, backplates that require centres that are different to those detailed above can be produced upon special request.
