

roundbar lever furniture

The various lever styles shown in this section are available on the following rose and plate fixing options

Please suffix lever code with plate option no., followed by profile digit (eg. 322 lever - on face fixed oblong plate (3) - lock profile (L) is 322/3L)

Piercings on all variants of backplates featured within this section are supplied at standard UK centres and are as follows:

Europrofile lock plates (P) are 47.5mm from the centre of the spindle follower and the centre of the cylinder and Oval profile (U) are 48.5mm
Lock (L) and Bathroom (B) backplates are 57mm centres between the centre of the spindle follower and the middle of the keyway/bathroom turn
However, backplates with centres that differ from those detailed above can be produced upon special request.
